

## Salt of the Earth Announces Summer Music Schedule

Salt of the Earth is pleased to announce their summer live music schedule. Taking place every Tuesday, we've got something for everyone, with a full slate of singer songwriters, traditional folk and blues, world music, bluegrass, and old time music. Our house concerts provide a unique opportunity to enjoy SotE's fine cuisine while listening to some of the best roots music on the scene. Reserve your table by calling us at 269.561.7258. In addition, beginning June 14 and continuing every other Tuesday through the summer we are offering relaxed 'Tuesday Afterglow' performances, taking place after the popular Fennville 'Tuesdays in the Park' community concert series held just a couple of blocks north of downtown at Memorial Park. We hope to see you every Tuesday in Fennville this summer!
